

Volunteer for the Festival

What Kind of Person Are You?

In this world there are four kinds of people: Everybody, Somebody, Anybody and Nobody. There was an important job to be done and Everybody was asked to do it. Everybody was sure that Somebody would do it. Anybody could have done it, but Nobody did.

Somebody got angry about it because it was Everybody's job. Everybody thought Somebody would do it, but Nobody realized it wouldn't get done by Anybody. It ended up that not only was the job not done, but Everybody accused Somebody, and Nobody accepted the responsibility.

Moral: Everybody's job is Anybody's. Nobody can be Somebody unless they are willing to do Anybody's work.
